Subject: Update of community lists

As you may be aware, a list of community groups and service organizations is kept on the Roxbury Public Library homepage ([roxburylibrary.org](http://roxburylibrary.org)) under "Roxbury Community". Attached is a printout of your organization's information as it currently appears on our page. Please review this information and send any necessary changes to my attention.

Feel free to make copies of this form and submit one anytime your information changes. They may be mailed to the library to my attention or emailed to me at [Cathy.Johnson@roxburylibrary.org](mailto:Cathy.Johnson@roxburylibrary.org).

Thank you.
